Horseback Riding Opportunities at Wild Strawberry Acres

Certified Horsemanship Association (CHA) Horsemanship/Riding Lessons

Private \$45.00 Lessee Rate \$28 Lesson manuals \$30 for both Level 1 and 2.
Group \$40.00

Lesson to Lease Program

Students that are CHA rated Level 2 have an opportunity to continue lessons and/or lease a horse.

Horse Leasing

Horse leasing is a convenient and affordable way to learn about the basics of horse ownership. It allows you to ride and spend time with a horse on your own terms, offering many other advantages of horse ownership at a fraction of the cost and responsibility.

The WSA horse lease program will introduce you to the ins and outs of horse ownership. You will have the opportunity to learn, not only how to ride a horse, but also about veterinary care, hoof care, tack, horse nutrition, and most important what it really means to commit to owning a horse. The WSA Leasing Program allows you to ride regularly while avoiding the expense of purchasing a horse as well as the ongoing expense of boarding, shoeing, vet care, tack, and training.

Matching Horse and Rider

Your horsemanship and riding skills will be assessed to determine suitable horse.

Leasing Options and Costs

Monthly Full-Lease entitles the lessee (one rider) as many scheduled rides per week as desired. The cost for a full-lease is \$280/month.

Flexible Half Lease. A Flexible Half Lease entitles the lessee (one rider) the option of paying on a per ride basis at the rate of \$28 scheduled ride.

The lease fee does not include supervision of minor children. (Riding lessons can be purchased.)
